Big thanks to Randy Smith of Treasure Electronics for donating the Whites MX5 for our detector Raffle!!

In a hole at the Deep Hunt!

We had another fun and successful National Hunt last weekend. I haven't received any official stats yet. I do remember that we had seven metal detectors as prizes in the Main Hunt. There was 6 or 7 teams in the 3 Amigos hunt. The Compadres team that included Shawn Gilbert, James Marcum, and Chuck Marcum took first place with 17 points and won \$44.00. Chuck Marcum took first place in the Deep Competition Hunt with 16 points and won \$175.00. Lloyd Coke placed second with 10 points, and John Hayworth had 9 points for third place. Congratulations to Shawn Gilbert for winning the Whites MX5 in the detector raffle! Three of our club members won detectors in the Main Hunt. Terry Archer got a Minelab X-Terra 305, James Marcum found the token for a Teknetics Eurotek Pro, and Chuck Marcum won a Garrett Ace 250. Congratulations also to Rachael Hayworth for winning the Eurotek metal detector at Bingo Saturday night. We lucked out with the rain Sunday! Well all of us except for the women in the Ladies Hunt. It poured, lightning struck, and it even hailed during their hunt! Not one of them complained about it when I handed out the prizes to them. They are all troopers! I heard that the concessions sold \$1000.00 worth of food! People had fun playing bingo and they enjoyed the Night Hunt. I received some Deep and Kids Hunt pictures from Tim and I will be getting the rest of the pictures of the hunt from Pres Larry soon. I will put them all in a photo album on our website.
