Kelly B Todd Kid's Hunt September 21, 2013

Starting in 2006 members of all three of our local clubs have put on a hunt at the Kelly B Todd Walk. Gary Young and I were told by several people including the organizers that we were the biggest hit of the day, by far. The Cerebral Palsy Neuromuscular Foundation is a non-profit organization that has a center located in Muskogee. The Center has delivered physical therapy to children with physical challenges in the Muskogee area at no cost to the families for 34 years. This is the biggest fund raiser of the year for them. This event is open to the public at no cost. There is a walk, silent auction, game booths, horse back riding and now of course metal detecting for the kids. This year our clubs donated two Treasure Hunting Baskets to their Silent Auction. Our baskets did very well. All of the proceeds from their auction went to the center. Big thanks to Three Forks, ITTHC, Tulsey Town, Indian nations Detectors, and everyone else that donated to the baskets

Big thanks to all of the volunteers that came out and helped us with the Kids Hunt! You made lots of kids happy and provided them with memories that they will never forget!
