Old Agency Cemetery Cleanup and Restoration

Do your part to help preserve our history!

Please join us in working to clean up and restore this historic old cemetery that has been vandalized and neglected for many years.

We will meet at the Pilot Station on U.S. 69 and Harris Road in Muskogee at 8:45 on January 5th. This will be our 4th season out at the Old Agency Cemetery. Please bring any equipment that you may have: loppers, metal blade weed eaters, chain saws, leaf blowers. Don't forget your gloves. Work time: 9-12:30. At lunch we will have a meeting to discuss upcoming cleanups. Afterwards we will hunt the pastures adjacent to the cemetery.

We are currently seeking donations to purchase the west half of the Old Agency Cemetery. We also need fences, signs, equipment, and food money donations for future projects.

For more information visit our website at: <http://www.eocpo.org>

I need to remind everybody that the EOCPO has organized these cleanups to preserve cemeteries and the history associated with them so that future generations can appreciate them. These are also an excellent community service project for all of our clubs, a good public image project for our hobby, an individual good feeling of accomplishment toward giving back to history after taking from it all of these years, and good exercise. It also gives us the added bonus of getting our clubs into some good historical hunting spots. As always there is no guarantee that everybody will find something fantastic at every outing. We are out there to have fun.
